Gentlemen,

I have received many phone calls inquiring whether or not your equipment can be picked up as a result of AIR's Bankruptcy filing. Please see the attached email that was sent to my attention from my lawyer, from AIR's bankruptcy attorney, Robert Atkinson, Esq. in which he has stated you may pick up your equipment next week as planned.

Tom,

I spoke with my client and Debtor claims no interest in the kit planes that are under construction. They and their parts belong to the builder/clients. Feel free to have the cranes come on Monday.

Thank you,

-Robert
